#### *Location:*

High Street United Methodist Church  
219 South High Street  
Muncie, IN 47305

The show hall opens at 8:00 AM with the show beginning promptly at 9:00 AM.

***Please note - there are limited rectangular tables and those are needed for the show tables. Showers will use round tables during the show.***

The FAMulous Show has room for 30 entrants. After 30 entrants have been accepted, we will start a waitlist. If a table becomes available, waitlist entrants will be contacted in the order their entry was received and have 48 hours to accept ***and pay***. If we have not heard from you by the end of that time, we will move on to the next person on the waitlist.

The entry fee is **\$65** per entrant. Show fees must be paid upon registration - we will not be able to hold places for people. The entry deadline is **July 15**. No refunds of entry fees after **July 15**.

Proxy entries are allowed. Proxy showers must submit their entry form and pay the \$30 proxy fee. They must also let the show hostesses know who will be showing their models for them. (See entry form.) Sorry, but we cannot provide an extra table to those who agree to proxy show someone else's models.

Awards will be commercial flats to sixth place, with rosettes to champions and reserves. Results will be recorded to third place. Collectibility NAN cards will be awarded to qualifying classes (i.e. at this time, cats, dogs, cattle, etc. cannot qualify for a NAN card.)

Multiple rings will be running simultaneously. Be sure to listen for your division and classes!

Ring 1 OF Breyer Critters & Things judged by Liz Cory  
Ring 2 OF Breyer Just About the Horses judged by Steff Bodamer  
Ring 3 OF Breyer Meta judged by Jamie Rott  
Ring 4 Customs judged by Kelly Weimer  
Ring 5 Chinas judged by Liz LaRose

#### ***Lunch***

We will take a short lunch break around noon. You may bring your own lunch to eat in the show hall. There are some restaurants in the vicinity, including a pizza place.

### ***Rules***

Limit two models per class. Additional models may be added for \$1 placed on the table by the model. Model's name and owner's initials should be on one side of the tag which is placed face down on the table. (If you already have tags on the model that list breed and gender, that's fine. No need to make new tags.) All scales of models are welcome to be shown.

Collectibility documentation is **required** in all classes. **Horses without documentation will not be judged.** Please only use paper documentation no larger than 8.5 x 11 - no books, phones, lights, etc. No exceptions.

China classes are for original finish chinas only that were produced in runs of ten or more pieces. No custom glazes.

If a model is placed in a lying down position on the show table, then the shower/owner has automatically given the judge permission to pick the model up for judging.

Classes may be split, combined, or canceled at the discretion of the judges and the show hostesses.

Since this is a collectibility show, models will be judged on rarity, condition, and other collectibility factors.

Poor sportsmanship, bullying, foul language, smoking, or inappropriate behavior will not be tolerated. Anyone seen behaving poorly may be asked to leave without a refund.

No pets of any kind are allowed in the show hall.

Please do not approach or talk to judges while they are judging a class. Questions should be asked before or after the class is judged on rarity, condition. The decisions of the judges are final.
